<b>You will have the opportunity to practice the edTPA process this month by planning a three part lesson sequence, implementing and filming a portion of this implementation, assessing the progress of the children, then providing feedback/taking next steps with the children (a portion of this may be filmed as well). The lesson sequence will not be one of your 4 observations but will be taught by you (at least one of the three lessons by you, your co-op can also teach part of the lesson sequence). Consider the due dates of each commentary so you can teach and film this lesson during this two-week midterm break from observations.</b>						

**Weeks 7 or 8:**  
3-way midterm conference.  
Practice edTPA. Sequence should be taught and filmed.
